

**REMARKS**

Applicants wish to thank the Supervisor, Gary Jones, for taking the time to discuss the issues of non-compliance on January 20, 2006. Per his suggestion, we submit herewith a Supplemental Amendment amending the instant specification to add the priority information as originally cited in the utility transmittal filed December 22, 2003. Applicants understand that this Supplemental Amendment which separately requests amendment of the specification to include the priority information is sufficient to overcome the issues of non-compliance. Reconsideration and withdrawal of the Notice of Non-Compliant Amendment in view of the amended specification is respectfully requested.

**AUTHORIZATION**

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this Amendment to Deposit Account No. 13-4500, Order No. 2976-4037US1. A DUPLICATE OF THIS DOCUMENT IS ATTACHED.

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account No. 13-4500, Order No. 2976-4037US1. A DUPLICATE OF THIS DOCUMENT IS ATTACHED.
